## Standing Rock Chapter

The Floyd Burham family established a trading post in the 1930's. The trading post and the BIA school served as the center of the community for a long time. The Standing Rock Community School is now considered a historical site.

The Standing Rock Chapter conducts monthly meetings to keep residents informed; residents have a forum to express their opinions to their Navajo Nation Council Delegate or to decide on matters concerning their chapter.

Upcoming Community Meetings and Community News:

- Planning Meetings held on FIRST Thursday of each month
- Local Senior Council Meetings held on FIRST Wednesday of each month
- Local Veterans Meetings held on SECOND Thursday of each month
- Regular Chapter Meetings held on SECOND Monday of each month
- CLUPC Meetings held on FIRST Thursday of each month
- \*\* Dates are subject to change

"Servicing the Governmental Needs of the Standing Rock Chapter Residents."
